Kusuru & Kerry here

DIRECTIONS FROM THE AIRPORT:

When you exit the airport there are plenty of taxis. Just ask for Puerto Calero Marina and ask them to drop you off in the car park by the boat yard (varadero) by the El Café del Puerto. ("Queremos ir al puerto deportivo de Puerto Calero al aparcamiento por el Varadero de El Cafe del Puerto. Gracias.) The cost should be around 25€

As you enter into the marina you pass the security box, turn left just past this and follow the road into the car park.

"Margherita" is on the corner, and opposite this – across the plaza, is Café del Puerto

INSTRUCCIONES DE LA AEROPUERTO:

Puerto Calero Marina por favor.

Al entrar en el puerto deportivo se pasa la caja de seguridad, gire a la izquierda justo después de esto y seguir el camino hacia el aparcamiento.

La "Cafe del Puerto" está en el lado opuesto de la plaza.

OR:

You can pre-book a taxi via Zip Transfers [Traslados Aeropuerto Lanzarote - Taxi Transfers | Ziptransfers](#) this is also around 30€ which you prepay online and then they meet you in the arrivals hall. We recommend this option as at busy times the taxi queues can be very long.

OR:

You can pre book a shuttle bus via "last minute travel". Call on +34 928 822 082 or email fax@viagesultimahora.com, this may be slightly cheaper but you will be sharing with a mixture of people and will take longer, again you wish to be dropped off in the car park by the boat yard.
